Elevate Your Business in Style

Step into a space where function meets flair — a warehouse that doesn't just tick boxes, it reinvents them. Tucked inside the ever-thriving Denval Industrial Park, this 350m² gem is more than just bricks and mortar — it's the launchpad your business has been waiting for. As you walk through the sturdy wooden door, you're welcomed into a dedicated office zone that means business, but with comfort in mind.

With tiled flooring beneath your feet, three enclosed offices on the ground level set the stage for sharp focus and smooth operations. One even comes with its own en-suite bathroom — a rare treat in the industrial space game.

Air-conditioning keeps the hustle cool, and a guest toilet plus a compact yet practical kitchenette round off the office section
