Commercial Space in Waterfall City

Success requires hard work, perseverance, and a prime office location. Waterfall City Corporate Campus is a secure 35 000m² office park, located on a highly visible site on the corner of Waterfall Drive and Letaba Drive. Its success as one of the preferred corporate destinations in Gauteng has much to do with the flexibility it offers clients to customise spaces or subdivide a multi-client building according to each client's needs. The development comprises seven buildings and enjoys the added benefit of a central restaurant and two Wi-Fi-enabled 50-seater conference facilities for use by campus clients. Dimension Data, Accenture, Isuzu Motors South Africa, Decision Inc., Boehringer Ingelheim, Ericsson, Wood and SASSETA are clients who have already realised the value of this prime commercial location.
