300m2 Newly Renovated Office Space To Let in Newton Park

This freshly renovated 300m² office space in Newton Park offers a modern and functional layout, ideal for businesses seeking a professional presence in one of Port Elizabeth's most established commercial nodes. The property features a spacious open-plan reception area that creates a welcoming first impression for clients and visitors.

A sleek glass-walled boardroom flows seamlessly into three large, air-conditioned open-plan work areas—perfect for collaborative teams or flexible workspaces. In addition, six private, air-conditioned offices provide quiet, focused spaces for management or admin functions.

The layout is supported by separate male and female ablutions, a fully fitted kitchen, and quality finishes throughout. Thoughtful
