Highly sought after warehouse available.

"This industrial property is located within the key address of Prospecton and boasts a superior reinforced external concrete hardstand yard to facilitate a logistics business with containers. Warehouses A & B are independent warehouses within this stand-alone property. The property is secured via perimeter fencing with a single secure entrance and a custom concrete hardstand yard providing ample access for the maneuverability of large vehicles and more especially reach stackers for container staging. Each warehouse has its own internal offices and ablution facilities with canopies to all roller shutter doors to ensure adequate weather protection at loading areas.
